### **COMMERCIAL CLUB ALBURY GOLD CUP CARNIVAL CANCELLED**

Albury Racing Club's 2020 Commercial Club Albury Gold Cup Carnival is cancelled. The club is following Australian Government advice to cancel all nonessential gatherings of 500 or more people. Racing NSW will advise the club if racing planned for the Thursday and Friday will still go ahead, with only industry participants being able to attend.

It's extremely disappointing that we are unable to showcase our carnival especially on the back of the massive setback caused by losing the 2019 Cup day racing. Our sponsors, members and corporate partners have remained extremely loyal and we feel for them as well.

The club will be making a full refund to anyone who pre purchased corporate hospitality, public hospitality and general admission tickets.
